

Capstone Parent Information Night

Thank you to all who were able to attend. If you would like to watch the recording of the webinar, you can do so [here](#). You are welcome to disseminate as you like.

Minnesota's Best

Once again the annual rivalry between the Franklin Capstone program and the Cooks of Crocus Hill has begun!

Those snooty chefs with their fancy hats and unnecessarily elaborate juice blenders have won 1st place the last two years under the category of 'Adult Learning'. Did they purchase a digital ad campaign to drive out the vote and rig the system? We have no way of knowing.

Are we equally going to drive out the vote but without spending any money? You know that we are.

Starting March 12th through April 5th, go to votemnbest.com to vote for the Franklin Capstone Program (as well as the Franklin Academy) under Education-Adult Learning. You can vote Every. Single. Day. You can tell everyone you know. It can consume your existence for the next thirty days. Literally nothing hangs in the balance.

Program Tiers and Letters of Intent

On Tuesday night, I discussed the introduction of a new schedule offering that we are planning to implement next year: College Flex.

With the growth of our scheduling options and available times, we also want to work to provide more individualized guidance on what offering might make the most sense for your family, as we work with your schedule and your future goals.

To that end, I will be sending recommendations in the next few weeks on what program options and times might work best for you.

This will allow the opportunity to facilitate discussions at Spring Conferences. Likewise, if you are not planning on returning next year (or are uncertain), we would like to know that as well by Spring Conferences (April 17th- 20th).
