

Summer Community Week

Just a reminder that the week of June 24th will be dedicated to our two Summer overnight trips for those who participate in Social Fridays. The Duluth trip will be leaving at noon on Monday, June 24th and returning around noon on Wednesday, June 26th. The Brainerd trip will likewise be leaving on Wednesday, June 26th around noon and returning on Friday, June 28th around noon. Outside of the trips, there will be no programming that week, so participants will have the days off when they are not on a trip.

Please understand that while we do our best to stick to those times, taking 11+ people anywhere, let alone hours away, can lead to delays or alterations. We will do our best to communicate when possible, but please be sure to arrive for both pick-up and drop-off with as much wiggle room as you can accommodate.

Nick will be sending out permission slips for those with guardianship and medication forms. We're super excited!

Annual Program Survey

We will be sending out our annual survey this month to get both parent and participant feedback. Please know that your responses are both anonymous and utilized considerably by us as we plan for the next year. I always say that Capstone is an iterative process and collecting the feedback of those we serve is vital to our mission.

Welcome Ms. Jodi!

I feel like this has quickly become our new hiring announcement spot. Welcome Jodi Eschrich as our new Employment Support Specialist! Prior to coming to the Franklin Center, Jodi was a Math teacher and Dean of Students at Oak Grove Middle School. Jodi informed us that one of her hobbies is competitively sailboat racing, so if any of you has a spare sailboat just sitting around that you'd like to donate to the Capstone program, I have a brilliant idea in mind for a new club! Welcome to Jodi!
