

## Academy of Whole Learning

Adult Education

December  
2020

Hello Voyageur parents!

### Community Participation

Out of the eight eligible AOWL students, seven of them voted on or before Election Day! All eight registered. Three students also signed up for library cards, and one reports that he's already started using his.

Often, the biggest step towards community participation is the first one. Simply being "on the radar," or part of an event will ensure that young adults feel more comfortable and able to participate. True of many things in life.

### Winter Check-In

January will begin an important month of outreach for the Adult Education program. Already in the Fall we have experienced high interest in the 2021-2022 school year, and that is with limited outreach and community awareness.

The most important outreach, however, remains with our current families. In addition to the traditional Fall and Spring conferences, I would like to implement a tradition of winter and end-of-year "check-ins". This could include discussions on progress, planning for next year, Summer, vocational questions, or anything that merits a conversation between October and March.

It is also totally optional. :) If you are interested in scheduling a time to touch base through a video chat, please let me know and we can set something up.

### Snow Cancellations

When we return to in-person on December 7th, we will follow the K-12 school's snow cancellation policy. You will receive updates and notifications through Bright Arrow and email.

Also, as anticipated, the Williston Fitness Center will be closed until at least December 18th.

### Article

Today's "article" is simply a gift guide for Adults with ADHD. Some of these ideas seemed pretty cool and out of the box. If anyone ever uses a meal subscription kit at home with their children, please let me know. Seems like a fun way to get into cooking! Link provided [here](#).

I hope you are able to find gratitude, thankfulness, and joy over the holidays. Here's to a better 2021.

With sincere appreciation,

Michael Faeth  
Adult Program Coordinator
