### Bus Passes

Each student submitted an application for a Limited Mobility Pass through MetroTransit. We had them list their home addresses so that the pass could stay with them past AOWL. We submitted our applications two weeks ago, which means the passes should arrive sometime between now and 2030. Ideally, we will receive them before May 13th, as our last three community-based events will involve us using public transportation. Please let me know if/when you receive them! Update: Three students have already showed me theirs!

### Contracts

Thank you all for submitting your applications! Contracts will be sent out shortly to be signed through Hello Sign. We will also be sending out a general calendar for next year, the usual terms and conditions, and an explanation of how class assignments and schedules will work next year. Please reach out if you have any questions. We are very excited for next year!

### MOAK and Ceremony of Completion

Our Minds of All Kinds annual fundraiser is virtual this year. You will hear directly from students, parents, and staff, **including one of our Adult Ed students!**

Date/Time: May 6th from 7pm - 8pm  
Please [RSVP here](#) if you haven't already  
Join us at [this event link](#)

In addition, the Ceremony of Completion will be held in-person for families and streamed virtually for those who would like to watch. None of our participants are graduating the program this year, but many of next year's students will be receiving their High School Diplomas!

Date/Time: May 27th @ 6pm  
Please [RSVP here](#) if you haven't already.

### Minnesota's Best

Do you like voting? Do you like spamming the Star Tribune's voting systems? Do you want to say that your son attends "Minnesota's Best" Adult Education Program? Of course you do! Each day, from now until May 21st, you can vote for both our program (Education-Adult Learning) and the school in general (Education-Private School). Let's go! Vote [here!](#)

### Summer Plans and Updates

This will be our last official newsletter for the school year, but please be on the lookout for a few updates on:

- End of year assessments and progress reports
- Classes and schedules for next year
- Staffing updates
- Williston Fitness Center Summer times (if students want to participate as a group)

Enjoy your Summer!

With Sincere Appreciation,  
Michael Faeth
