

Summer Community Week

For the program calendar, we have blocked off the week of June 26th- 30th as our 'Summer Community Week'. This is for both of our overnight trips, but a reminder that each trip will occur on different days. Our Duluth trip will leave the Franklin Center around 12:00 pm on Monday, June 26th and return around 12:00 pm on Wednesday, June 28th. Our Madison crew will leave Franklin Center shortly after our Duluth trip returns on Wednesday (12 pm) and will plan to be back to the Franklin Center no later than 3:00 pm on Friday, June 28th. Outside of our trips, there will be no programming that week, so participants will have the days off that do not involve their trip group.

Please understand that while we will do our best to stick to these times, taking 10+ people anywhere, let alone hours away, can lead to unanticipated delays or alterations. We will try to communicate when possible, but your best bet is likely to text your offspring once we hit the road so that you are up-to-date on our ETA.

For all the overnight trip questions, you're welcome to reach out to staff, and please reference May's Capstone newsletter for packing and planning needs and questions.

Community Engagement Coach

We are excited to announce that we are hiring a Community Engagement Coach for next year! The primary job responsibilities for this position will be to:

- Help plan and lead all of our Social Friday outings
- Help plan and lead our new "Choice Social" blocks next year, which will require 'Mindful Socialization' with at least one peer in the program
- Provide support for our Volunteer and other Community programming options
- Provide support in the classroom and 1:1 breakouts with participants, as necessary

We believe this position will help enhance our social outings, continue to develop the social fabric with the program, and allow our teachers to focus more on what they do best. Interviews are currently ongoing, but you are welcome to encourage the hardcore extrovert in your life to apply.

Annual Program Survey

We will be sending out our annual survey this year for the first time and your feedback and insights are invaluable to us. I will also be working with participants and staff on a survey to collect participant feedback as well. I always say that Capstone is an iterative process and collecting that feedback from the people we serve is vitally important.

Your honest feedback will enable us to enhance the quality of our programming, consider next steps and allocation of resources, and refine our communication strategies

No Programming- Juneteenth

In observance of Juneteenth, all Franklin Center programming will be closed as we honor the significant historic milestone of emancipation.

With Sincere Appreciation,
Michael Faeth
Director of Adult Education
