Employment Support Specialist

Last updated 1/11/24

Reports to	Director of Adult Education
Employment Status	Full-Year
Number of Hires for this Role	1

Job Summary

To provide guidance, assistance, and foster accountability to/with young neurodiverse adults to maintain employment status, explore employment possibilities, develop and hone workplace readiness, self-determination, self-advocacy, and executive functioning skills, and to assist the Capstone Program in a supportive role. Maintain responsibility for the scheduling, coordination of services, documentation, and communication for all external and internal persons served.

Summary of Essential Job Functions

- Provide employment and pre-employment services and support to young adults in a 1:1 capacity;
- Use best practice strategies and scope and sequence to develop skills and mindsets necessary to promote job retention, promotion, and advancement consistent with each person's abilities and vocational aspirations;
- Work with young adults, staff, and family to identify areas of improvement and interests, particularly as it pertains to acquiring and maintaining employment;
- Assist young adults in understanding their neurodifferences. Teach strategies and problem-solving skills;
- Facilitate the development of young adults' vocational and independent living goals;
- Interact with client supervisors, managers, and coworkers to seek feedback, build natural support, and problem-solve situations that may arise;
- Schedule and coordinate services internally and externally for all persons served in the areas of job coaching, self-advocacy, social coaching, and other related social, vocational, and executive functioning key areas;
- Maintain a positive and calm demeanor when dealing with clients;
- Conduct oneself as a positive role model for participants in terms of appearance, socialization, time management, organization, and teamwork;
- Keep accurate records and work hours;
- Participate in staff meetings and development programs;

Case Load:

- Twin Cities area (travel expenses are reimbursed) Client input and availability are considered

Minimum Requirements, Credentials, and Experience

- Demonstrated interest or expertise in working with young adults with autism spectrum disorder and/or related neurodiversities

Additional Working Conditions, Work Environment

Because our students with autism spectrum disorder and related learning differences require consistency and structure, the employee must be able to work on all days assigned unless approved by their supervisor. Supervisors reserve the right to decline paid time off requests for any reason and it is preferred that planned vacations be taken over-scheduled school breaks.

The employee is continuously responsible for the safety, well-being, and work output of students. There may be:

1. Occasional exposure to blood, bodily fluids, tissue and noxious odors.
2. Occasional exposure to unruly students/adults.

3. Occasional operation of a vehicle in inclement weather.

GROOMING

All team members must maintain a neat, clean, and well-groomed appearance.

Disclaimer

The above statements are intended to describe the general nature and level of work being performed by people assigned to this classification. They are not to be construed as an exhaustive list of all responsibilities, duties, and skills required of personnel so classified. All personnel may be required to perform duties outside of their normal responsibilities from time to time, as needed.
